Infosys Announces Expansion of Pocharam Development Center in Hyderabad

Infosys strengthens its presence in Telangana with a new 1.1 million sq. ft. facility, enhancing capabilities in AI, Cloud, Cybersecurity, and next-generation digital services

Bengaluru, India – October 30, 2026

Infosys (NSE, BSE, NYSE: INFY), a global leader in AI-first business consulting and technology services, today announced the expansion of its Pocharam Development Center (DC) in Hyderabad, Telangana, with the inauguration

of a new Software Development Block. The new 1.1 million sq. ft. facility further strengthens Infosys' presence in Telangana and its commitment to the region's growing technology and talent ecosystem.

The inauguration ceremony was graced by **Sri Mallu Bhatti Vikramarka, Hon'ble Deputy Chief Minister, and Minister for Finance, Planning, and Energy, Government of Telangana; Sri Duddilla Sridhar Babu, Hon'ble Minister for Information Technology, Electronics & Communications, Industries & Commerce, and Legislative Affairs, Government of Telangana,** in the presence of Infosys leadership represented by **Mr. Jayesh Sanghrajka, Chief Financial Officer, Infosys, along with Mr. Sunil Kumar Dhareshwar, Executive Vice President, Infosys; Mr. Niladri Prasad Mishra, Senior Vice President, Infosys,** and other senior officials from the Government of Telangana and Infosys.

Spread across 450 acres, the campus currently houses seven software development blocks with approximately 4.58 million sq. ft. of built-up area. The new block will add 10,000 seats, enabling Infosys to aim to support an additional workforce of over 13,000 employees under a hybrid working model.

The Pocharam Development Center supports global clients across Banking, Financial Services and Insurance (BFSI), Retail, Life Sciences, and Manufacturing. The expansion will further strengthen Infosys' capabilities in AI, cloud, cybersecurity, engineering and next-generation digital services. Aligned with Infosys' sustainability commitments, the new facility incorporates energy-efficient radiant cooling, smart lighting, rainwater harvesting, wastewater reuse and natural daylight-filled spaces to improve energy efficiency and occupant comfort and wellbeing. It also features flexible

workspaces, collaborative areas and employee wellness facilities to support a modern, hybrid work environment.

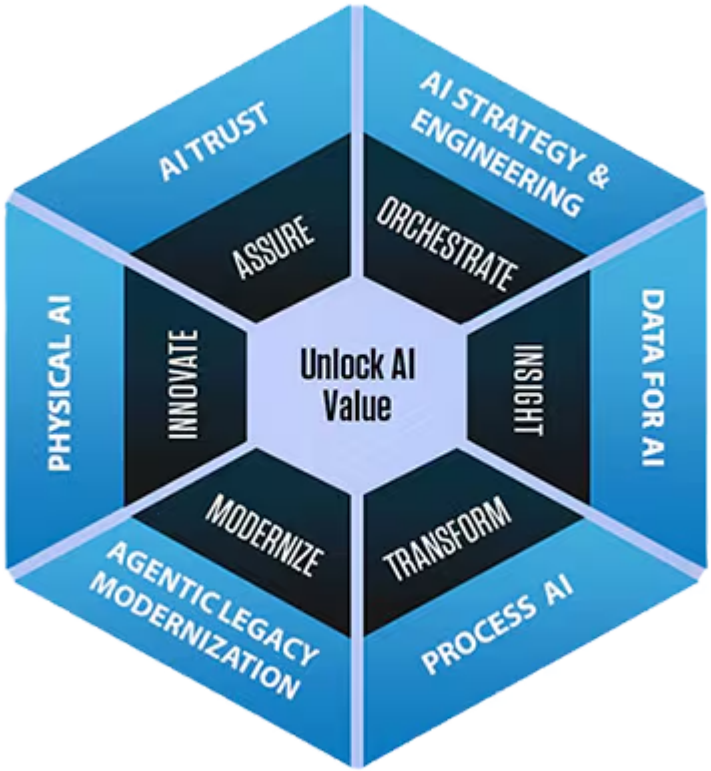

Sri Mallu Bhatti Vikramarka, Hon'ble Deputy Chief Minister, and Minister for Finance, Planning, and Energy, Government of Telangana, said, “Telangana has established itself as a global technology destination, supported by world-class infrastructure, skilled talent and a thriving innovation ecosystem. The expansion of Infosys' Pocharam campus marks another important milestone, creating opportunities for our youth to participate in the next wave of technology-led growth. Investments of this scale reinforce Hyderabad's position as a preferred destination for global enterprises and advance our vision of a future-ready, innovation-driven economy.”

Mr. Jayesh Sanghrajka, Chief Financial Officer, Infosys, said, “Hyderabad has played a pivotal role in our growth journey, and the expansion of our Pocharam campus reflects our continued commitment to the region. This facility enhances our capacity to scale operations, build specialized talent, and deliver complex transformation programs for global clients. As enterprises accelerate their adoption of AI, the campus will serve as a strategic hub that brings together world-class talent, advanced infrastructure, and deep capabilities to help clients drive innovation, improve competitiveness, and realize sustained business value.”

About Infosys

Infosys (NSE, BSE, NYSE: INFY) is a global leader in AI first business consulting and technology services. Over 325,000

Safe Harbor

Certain statements in this release, including those concerning our future events, future growth prospects, our future financial or operating performance and our offerings and collaborations are “forward looking statements” intended to qualify for the 'safe harbor' under the Private Securities Litigation Reform Act of 1995. Such forward-looking statements are based on our current expectations, assumptions, estimates and projections about the Company, our industry, economic conditions in the markets in which we operate, and certain other matters. These forward-looking statements are subject to substantial known and unknown risks, uncertainties and other factors, that could cause actual results or outcomes to differ materially from those implied by such forward-looking statements. Important factors that may cause actual results or outcomes to differ from those implied by the forward-looking statements include, but are not limited to, risks and uncertainties regarding the execution of our business strategy, increased competition for talent, our ability to attract and retain personnel, increase in wages, investments to reskill our employees, our ability to effectively implement a hybrid work model, economic uncertainties and geo-political situations, technological disruptions and innovations such as artificial intelligence, the complex and evolving regulatory landscape including immigration regulation changes, particularly in the United States, our Environmental, Social, Governance (“ESG”) vision, our capital allocation policy and expectations concerning our market position, future operations, margins, profitability, liquidity and capital resources, our corporate actions including acquisitions, cybersecurity matters, the outcome of pending litigation and the US government investigation, and the effect of current and future tariffs. These and additional factors that may cause actual results or outcomes to differ from those implied by the forward-looking statements are discussed in more detail in our US Securities and Exchange Commission filings including our Annual Report on Form 20-F for the fiscal

year ended March 31, 2026. These filings are available at www.sec.gov. In light of these and other uncertainties, you should not conclude that the results or outcomes referred to in any of the forward-looking statements will be achieved. Infosys may, from time to time, make additional written and oral forward-looking statements, including statements contained in the Company's filings with the Securities and Exchange Commission and our reports to shareholders. The Company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the Company unless it is required by law.
